10. Practise

Before the first game in qualification players will have 10 minutes for practise and for final games players will have 5 minutes for practise.

11. Playing rules

Tournament is played with handicaps, players will play 6 games american style on one pair of lanes. On one pair of lanes will play minimum 3 players, maximum 5 players.

Qualification:

Total pinfall with handicaps will determine the position of players

In case of same pinfall of players :

- total pinfall with handicap
- total pinfall without handicap
- highest maximum score from one game
- higher minimum game

Final:

To final will proceed players according to their standing after qualification:

- 12 players – if tournament has 30 or less participants
- 16 players – from 31 up to 40 participants
- 24 players – 41 and more participants

Players will choose lanes in order from qualification.

Players will play 4 games american style, after first 2 games they will move one pair of lanes to the right. To games played in final will be aded players handicap plus 35% of result from qualification.

In case of same pinfall in final place will determine:

- total pinfall from final, 35% from qualification, plus handicap
- total pinfall from all played games in tournamet, without 2xaverage from qualification and handicap
- higher maximum game played in tournament
- higher minimum game played in tournament

12. Handicap:

For each tournament player will receive new handicap calculated from previous tournament following way. As a BASIS will be counted highest average from last tournaments without handicaps. For first tournament in season 2009-2010 will be taken from previous season. Player not playing in any tournament will receive handicap 5 pins per game.

Handicap will be counted as a 30% of difference between basis and played average in last tournaments, rounded on whole pin.

Women and juniors will have handicap.

Basic handicap		
category	to 18 years	over 18 years
men	4	0
women	4	4
